- Leaderboards
- Display Ads
- Skyscrapers
- Targeted Text Ads

DOTmed's heavy traffic gives your ads great visibility. The majority of the 1,500,000-plus page views/month on DOTmed occur in the Equipment & Parts Listings.

With a total of more than 4.25 million DOTmed visitors a year, many ads in our Equipment & Parts pages are seen over 100,000 times a year!

100% On-target Efficiency

You'll enjoy laser-like precision in reaching your customers — with over 600 equipment categories to choose from. We let you advertise only to the people you want to reach.

No waste + 100% efficiency = more awareness and more sales.

180 X 150 Display Ads

These ads occupy a prime spot at the top-right of every equipment page. Animated GIFs are recommended for maximum visibility. So your ad loads fast and runs smoothly, please keep the file size at 200k or less.

Priced by traffic rating:

Moderate Traffic: \$250/month

Moderately-high to High Traffic: \$375/month

Very High Traffic: \$500/month

Targeted Text Ads

Targeted Text Ads appear at the top of a given equipment category as well as within the listings of that category, and rotate on an equal basis. They are priced on the level of traffic in the categories you choose:

Priced by traffic rating:

- \$50/month for Medium traffic
- \$75/month for Medium-high to High traffic
- \$100/month for Very-high traffic

Leaderboard/Category Sponsorship Ads

Build your brand, enhance your image, set the table for sales. "Own" an Equipment Category with more than 600 to choose from.

Get thousands of views per month:

1. Shows on top of every "for sale" listing page in the category you are sponsoring
2. When visitors come to DOTmed from a Google search, your Leaderboard Ad appears
3. When visitors click DOTmed Search Results, your Leaderboard Ad appears
4. Standard IAB 728 x 90 size

So your ad loads fast and runs smoothly, please keep the file size at 200k or less.

Leaderboard Ad Rates per Category:

1. Medium Traffic — \$500 per month
2. Medium-High to High Traffic — \$750 per month
3. Very High Traffic — \$1000 per month

Bonus Placement: Your Leaderboard ad will display on posts in the Service Technicians' Forum when a discussion starts that matches the category you're in.

Skyscraper Ads

Big, tall and attractive 160p x 600p towers

Your Skyscraper ad will stand out in the category where it runs because it is not just big, it is animated – and it appears opposite the auctions and listing results on every page

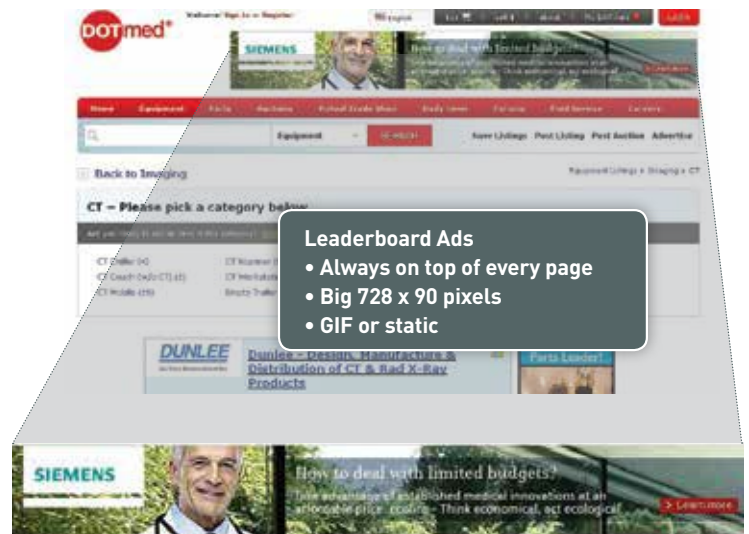

At 160 pixels wide and 600 pixels tall, your Skyscraper ad has plenty of room so you can dramatically present your message – DOTmed will even help you create your ad for you for a nominal fee. If you have an existing Skyscraper ad, DOTmed uses IAB standard ad sizes so your Skyscraper will fit without modification.

Service Technicians' Forum Advertising Options

The ad options available on this popular Forum are 1) Targeted Text Ads, 2) 180x150 Animated Display Banners and 3) Sponsored Forum Posts.

Targeted Text Ads are \$75 to \$100 per month depending on your categories. When users post about your service categories, your ad shows. These non-exclusive ads also show in the Virtual Trade Show and on any "Service" or "Company" search.

180x150 Animated Display Ads show on the website and in the Forum Digest Emails. Cost is \$500 per month.

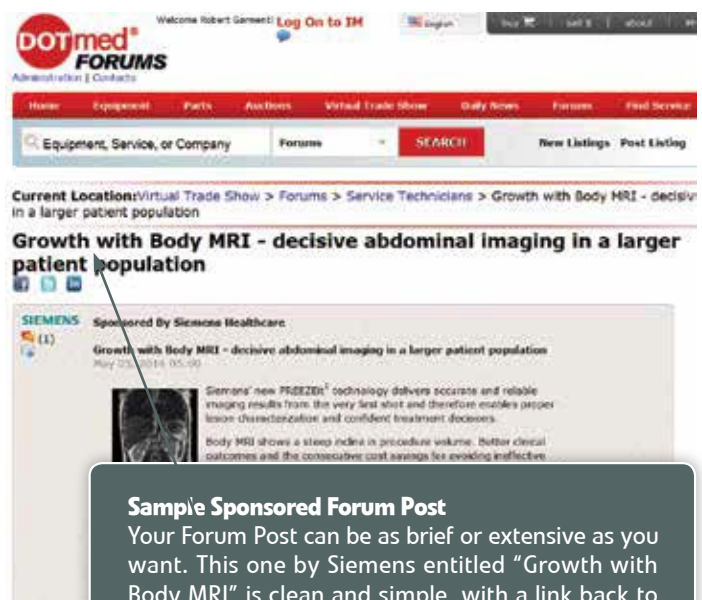

Sponsored Forum Posts cost \$995 per post and can feature any product or service you want, the length is unlimited, and you can run a video and photos. A link to your Sponsored Post will appear within the daily Forum Digest emails for a period of one week.

We email more than 120,000 Forum Digests a week

More than 35,000 users are subscribed to the Service Technicians' Forum, and over 24,000 receive weekday Forum Digests emails with an additional 3,500 receiving a weekly update. In total over 120,000 Forum Digest emails are sent weekly.

Your post will also appear on the Forum homepage for one month. The text in your Post will be picked up by major search engines. If you post about servicing Siemens CTs, chances are your post will show up within Google's organic listing results when someone searches for Siemens CT service. The cost for each Sponsored Post is \$995. It's permanently archived, so weeks, months, even years later, customers can still find your posting when they search the web.

Sample Sponsored Forum Post

Your Forum Post can be as brief or extensive as you want. This one by Siemens entitled "Growth with Body MRI" is clean and simple, with a link back to their website. If you want, you can add a demo video, explanatory photos, or any graphic that helps you get your message across.
